How long have you had these problems? _____

I was asked to see this pt in
consultation by

How frequently do you experience these problems? _____

Dr. _____ for

I. ALLERGY HISTORY

Nasal Symptoms/Causes

1. I have the following symptoms (circle all that apply and star the most troublesome):

- nasal congestion, nasal itch/rub, bad breath, fatigue/irritability, red eyes, snoring, post nasal drip, itchy eyes, mouth breathing, runny nose, sinus infections, nosebleeds, sneezing, discolored drainage, loss of taste/smell, nasal polyps, headaches

2. Circle all symptom triggers (circle all that apply and star the most troublesome):

- dust, mold/mildew/, time of day - am/pm, fall pollen, mustiness/dampness, home, springtime pollen, indoors, workplace, cut grass/rake leaves, outdoors, food, dog, weather changes, rain, cat, smoke, other animals, strong odors, feathers, temperature changes

Do your symptoms occur year-round or are they seasonal? Circle one or both. If seasonal, list months symptoms occur: _____

3. Have you had sinus x-rays or CT Scan? Yes No

II. RESPIRATORY HISTORY

1. Circle any applicable symptoms.

- cough, cough from post nasal drip, wheeze, tightness, symptoms with exercise, shortness of breath

If you circled any of the above symptoms, complete questions 2-7

2. Do you wake up at night because of chest symptoms? Yes No times per week/month _____

3. Did you have problems with your breathing at birth? Yes No If yes, explain:

4. Breathing problem is triggered by:

- pollen, exercise, colds, sinus infections, mold, heartburn, pets, cold weather, foods, weather change/rain, other

5. Circle any events attributable to your asthma:

- ER visits, Hospitalization, Intubation, ICU admission, Pneumonia

6. Have you been on steroids or received a steroid shot for your asthma? Yes No

If yes, how many times in the past 12 months? _____

7. Have you had a chest x-ray? Yes No Last x-ray: _____

III. MEDICATIONS

I take the following medications (include inhalers and nasal sprays):

Name	Dose	Frequency used	
_____	_____	_____	daily/often/rarely
_____	_____	_____	daily/often/rarely
_____	_____	_____	daily/often/rarely

Other medications:

_____	_____	_____	times a day/week/month
_____	_____	_____	times a day/week/month
_____	_____	_____	times a day/week/month
_____	_____	_____	times a day/week/month

1. Do you use a spacer with your inhaler? Yes No
If yes, which type? _____
2. Do you own a home nebulizer? Yes No
3. Do you own a peak flow monitor? Yes No
If so, please list your best peak flow rate _____

IV. PREVIOUS ALLERGY EVALUATION

- Have you ever had allergy skin testing? Yes No
If yes, when _____
- Were you on allergen immunotherapy (allergy shots/drops)? Yes No
If yes, when _____ Did they help? Yes No

V. ENVIRONMENTAL SURVEY - HOME

General (Circle answers)

1. Where do you live? House Apartment Trailer Condo Other
2. How long have you lived there? _____ Age of Dwelling: _____
3. Pets (If yes, please specify): Yes No

Cat	indoor	outdoor	both	
Dog	indoor	outdoor	both	
Other	indoor	outdoor	both	
4. Smokers/Vapers in the house? Yes No
5. Is your home air conditioned? Yes No If yes, central or window?
6. Do you keep your windows closed? Yes No
7. Do you have a humidifier? Yes No if yes, central or room?
8. Do you have an electrostatic air filter? Yes No
9. Do you have moisture problems in your home? Yes No
10. Do you have a basement? Yes No Is it damp? Yes No

Bedroom

1. Type of bed? Regular Waterbed/waveless Waterbed/wave
2. Plastic encasement of mattress? Yes No On pillow? Yes No
3. Stuffed animals in bedroom? Yes No How many? _____
4. Type of pillow: Feather Synthetic Cotton
5. Do you have: Carpet Wood Vinyl flooring

VI. WORK/SCHOOL

1. What is your occupation? _____
2. A student? Yes No What grade are you in? _____
3. What are your hobbies? _____
4. Are your symptoms worse at work? Yes No
5. Do you get better on vacation? Yes No
6. How many days did you miss school or work in the past year? _____
7. If child, is he/she in daycare? Yes No
8. How many children in room? _____

How long have you lived in Georgia? _____ years

Where else have you lived? _____

VII. FAMILY HISTORY

Does any member of your family have a history of:

Who: (father, mother, grandmother, etc.)

- Asthma _____
- Hay fever _____
- Eczema _____
- Migraines _____
- Recurrent infections _____
- Cystic Fibrosis _____
- Insect Sting Reactions _____
- Other _____

GU: pain of urination difficulty urinating frequent urination blood
 urinary infections prostate problems
Musculoskeletal: joint swelling bone pain frequent broken bones osteoporosis
 Is child growing well? Yes No
Skin: eczema hives itching sores in mouth thrush
Neurologic: headaches numbness seizures weakness migraines
Psychiatric: Allergies affecting the quality of life? Yes No
Hematologic: anemia swollen glands bleeding HIV positive
Other Problems (circle all that apply)
 Arthritis Diabetes Thyroid disease
 Cancer Tuberculosis Bowel disease
 Asthma Allergies Hayfever

SURGERY/OPERATIONS

Circle surgeries and give year _____
 Ear tubes Nasal/Sinus surgery Tonsillectomy/Adenoidectomy
 Other _____

Have you had chicken pox? Yes No Vaccine
SMOKING HISTORY Yes No How much? _____ How often? _____
 For how many years? _____ When did you stop? _____
VAPING HISTORY Yes No How much? _____ How often? _____
 For how many years? _____ When did you stop? _____
 Have you had all your childhood immunizations? Yes No
 Do you get a flu shot every year? Yes No
 Have you had the Pneumovax vaccine? Yes No

IX. MEDICATION ALLERGY

Medication	Reaction	Date
_____	_____	_____
_____	_____	_____

X. OTHER ALLERGIES

Do you have eczema or hives? (circle) Yes No
 Have you ever had an allergic reaction to an insect sting? Yes No
 If yes, what happened? _____
 Are you allergic to any foods?

Food	Reaction	Date
_____	_____	_____
_____	_____	_____

Have you ever had itching, sneezing or swelling after dental exam or GYN exam? Yes No
 Have you ever had a reaction after using any of the following? (circle)
 balloons rubber products elastic bandages condom

Electronic Communication Agreement

Patient Name: _____ DOB: _____

By signing below, I agree that Atlanta Allergy & Asthma (AA&A) may send the following types of emails and text messages (including automated messages) to the mobile telephone number and/or email address, as applicable, that I have provided to AA&A:

- appointment confirmations and reminders;
- other practice communications such as clinical care reminders and information, pre- or post-visit instructions, messages regarding my health and health plan and/or diagnoses or treatment, billing-related messages, eligibility information or questions, and occasional practice updates such as office moves or weather closings;
- updates on available treatment offerings and services, promotions, and services and programs that may be of interest to me, refill reminders.

Electronic communication authorization options. Initial below to indicate consent:

_____ Email

_____ Text Messaging

I understand that I have the right to opt-out of receiving certain such communications by following the instructions provided in an applicable message. However, I understand that if I choose to opt out, I may experience an impact in my experience with the service(s) that rely on communications via text messaging and/or email communications. I also understand that I may continue to receive certain time-sensitive messages that do not require consent (such as emergency notifications) even after opting out or unsubscribing.

I agree that AA&A may send me messages by text or email (as selected above) that are unsecure. Text messages and email communications have inherent privacy risks, including that unencrypted text messages and email communications are not secure and could be accessed by an unauthorized party, intercepted, or altered without my knowledge or authorization.

(Signature of patient/authorized representative)

(Print name if other than patient)

(Date)

By opting-in to email communication from AA&A, you agree to receive the types of emails described above. You can revoke your consent to receive emails at any time by using the unsubscribe link found at the bottom of every email.

By opting-in to SMS messages from AA&A, you agree to receive automated promotional messages. This agreement is not a condition of any purchase. Msg & Data rates may apply. Reply STOP to end any time after receiving your initial confirmation message.

Terms of Service and Privacy Policy can be found on our website.

AA&A Financial Policy/ Appt. Cancellation Policy

To accommodate the needs and requests of as many patients as possible, AA&A is contracted with numerous insurance companies. While we are pleased to be able to provide this service to you, it is not possible for our staff to keep track of all the individual requirements of each plan. Every plan has different stipulations regarding access to care and payment for services received. Within the same insurance company, benefits may differ depending upon what type of contract your employer negotiated with that carrier on your behalf.

Providing quality medical care for our patients is our primary concern.

We are happy to provide care for our patients within their insurance contract guidelines, but we ask that our patients come prepared at the time of service to let us know what those guidelines are. With most of our contracts, Atlanta Allergy personnel are not permitted to interpret insurance benefits for the patient. We are expected and obligated to provide quality care to each insured person, but **it is the insured person's responsibility to understand their benefits.**

Should your insurance company require a **specialist referral** from your primary care physician before you can be seen, it is your responsibility to obtain that referral **prior to your appointment**. You should bring the referral with you to your appointment. Our contracts with those insurance companies prohibit us from seeing you without a referral and subsequently billing them for the services. If you are seen without a referral, **you must be prepared to pay for all services in full at the time they are rendered**. If a referral is required and you are unsure as to how to obtain one, please let the staff know and we will be happy to provide assistance.

If you do not inform us of any special requirements in your insurance contract, such as referrals or pre-authorization for treatment, and we subsequently order services that are not covered, we will have no choice but to bill you directly for those charges. In the event that services are provided and your insurance coverage is not in effect on that day, or if your contract contains a pre-existing clause, your insurance carrier will likely deny payment for services received. **Please remember that you, the patient, are ultimately responsible for payment on your account.**

With your cooperation and help, you should be able to receive all of the insurance benefits offered to you, and we will be able to concentrate on caring for your medical needs.

Patient Forms/Letters Completion Fee

An administrative fee will be charged for completion of patient forms. Patients may choose to pay **\$25** for each request (up to 5 pages is considered one form) or **\$100** annually, to cover the cost of completing all forms for a period of one year. No admin fee will be charged for the completion of insurance required forms. School medication forms and treatment plans will be made available at **NO Charge**; however, requests for replacement or duplicate copies may be charged a fee of **\$25**. There is no administrative fee assessed to patients that are members of State or Federally administered insurance programs (Medicaid, Medicare, Tri-care) or Kaiser.

Appointment Cancellation Policy

Your appointment is important to both you and your AA&A provider. If you cannot keep your appointment, please contact us **at least 72 hours prior to your scheduled appointment time**. If you do not provide notice 72 hours in advance, you may be charged a **\$50 no-show fee for a regular office visit and \$100 no-show fee for Skin Test Appointments**.

I HAVE READ AND UNDERSTAND THE OFFICE POLICIES STATED ABOVE AND AGREE TO ACCEPT FINANCIAL RESPONSIBILITY AS DESCRIBED.

(Patient and/or Insured)

(Date)

(Print Name)

Acknowledgement of Receipt of Notice of Privacy Practices

Part 1:

Patient Name: _____

Address: _____ City, State, Zip: _____

I have been given a copy of **Atlanta Allergy & Asthma Notice of Privacy Practices** ("Notice"), which describes how my health information is used and shared. I understand that **Atlanta Allergy & Asthma** ("the Practice") has the right to change this Notice at any time. I may obtain a current copy by contacting the Practice Privacy Official, or by visiting the Practice website at www.atlantaallergy.com.

My signature below acknowledges that I have been provided with a copy of the Notice of Privacy Practices:

(Signature of Patient or Personal Representative) (Date)

Print Name & Title (e.g., Guardian, Health Care Power of Attorney): _____

Part 2:

Atlanta Allergy & Asthma clinical staff may need to communicate Protected Health Information (PHI), such as test or lab results, via phone. Please let us know what phone number you would like us to call and if we may leave a message:

Phone Number: _____

- Yes, you may leave a message
- No, please do not leave a message

I authorize the Practice to include the following person(s) in any communication regarding my PHI. This is a valid authorization until I revoke this in writing:

Name: _____ Relationship: _____

(Signature of Patient or Patient Representative) (Contact Number) (Date)

For Practice Use Only: Complete this section if you are unable to obtain signature. If the Patient or personal rep is unable or unwilling to sign the Privacy Acknowledgement, or it is not signed for any other reason, state the reason:

Describe the steps taken to obtain the Patient's (or personal reps) signature on the Acknowledgement:

Signature of Practice Representative: _____ Date: _____

Patient Account #: _____

- It is important to be on time for your skin test appointment. If you arrive late, we may be unable to test you due to time constraints. Please arrive 15 minutes early to complete the registration process.
- If your insurance requires a referral, please make sure we have it in advance of the appointment. On the day of the appointment, please bring insurance card, photo ID, and form of payment.
- Allow 2-3 hours for skin testing. You will discuss the results after testing is complete. When children are being tested, it's a good idea to bring items to entertain them throughout the process.
- **DISCONTINUE ALL ANTIHISTAMINES FOR SEVEN (7) DAYS PRIOR TO TESTING. Antihistamines will block the skin test reaction and may prevent accurate test results.** This includes any allergy, cough, cold, 'night-time' or sleep-aid medications (details on 'Medication List' form). Bring a list of any OTC or prescription medications you are currently taking.
- Wear comfortable clothing. Staff will need access to your back and arms, so do not wear a one-piece outfit.
- It is recommended you eat prior to your skin test appointment. Because we treat patients with severe food allergies, we do not allow food in the clinics.
- Please avoid wearing scented sprays, lotions, and perfumes as they may cause reactions in sensitive patients.
- Skin testing is a simple series of tiny scratches made on your back with a plastic instrument that has small toothpick-like prongs each containing trace amounts of a single allergen. Your doctor determines the number of tests done according to your medical history and symptoms. Skin testing is not painful but can be somewhat uncomfortable.
- After skin prick testing some patients may also receive intradermal testing. With intradermal tests, a small amount of the allergen is injected under the skin of the arm to see if it causes a reaction.
- Swelling or redness at the skin test sites may appear several hours after testing. These "delayed reactions" do not have any significance. Any itching associated with these reactions can be managed with steroid creams and antihistamines. These symptoms may persist for several days.

Safety Protocols:

- Masks are still recommended, but not mandatory. Please note that individual offices may require the use of masks based on circumstances specific to that location.
 - Please limit the number of guests that accompany the patient to the office.
 - If you are experiencing any flu-like symptoms, please call to reschedule your appointment.
-

Important Information about Allergy Skin Testing:

Patients scheduled for allergy skin testing must stop taking any medications that contain antihistamines as they will affect the results of your test. This includes both over-the-counter as well as prescription medications. Do not discontinue antidepressants/psychotropic medications or any other medications without consulting with your prescribing physician. Call your pharmacy or prescribing physician if you are unsure about the names of your medications. Asthma medications do not affect skin testing. Do not stop your asthma medications.

The following is a list of medications that must be STOPPED SEVEN (7) DAYS before skin testing:

Actifed	Clarinex	Loratadine	Seroquel
Adapin	Claritin	Ludiomil	Sinequan
Advil Allergy	Clemastine	Levocetirizine	Singlet
Advil PM	Clomipramine	Marezine	Sominex
