Patient Name: _____

DOB: _____

By signing below, I agree that Atlanta Allergy & Asthma (AA&A) may send the following types of emails and text messages (including automated messages) to the mobile telephone number and/or email address, as applicable, that I have provided to AA&A:

- appointment confirmations and reminders;
- other practice communications such as clinical care reminders and information, pre- or post-visit
 instructions, messages regarding my health and health plan and/or diagnoses or treatment, billingrelated messages, eligibility information or questions, and occasional practice updates such as office
 moves or weather closings;
- updates on available treatment offerings and services, promotions, and services and programs that may be of interest to me, refill reminders.

Electronic communication authorization options. Initial below to indicate consent:

_____ Email

_____ Text Messaging

I understand that I have the right to opt-out of receiving certain such communications by following the instructions provided in an applicable message. However, I understand that if I choose to opt out, I may experience an impact in my experience with the service(s) that rely on communications via text messaging and/or email communications. I also understand that I may continue to receive certain time-sensitive messages that do not require consent (such as emergency notifications) even after opting out or unsubscribing.

I agree that AA&A may send me messages by text or email (as selected above) that are unsecure. Text messages and email communications have inherent privacy risks, including that unencrypted text messages and email communications are not secure and could be accessed by an unauthorized party, intercepted, or altered without my knowledge or authorization.

(Signature of patient/authorized representative)

(Print name if other than patient)

(Date)

By opting-in to email communication from AA&A, you agree to receive the types of emails described above. You can revoke your consent to receive emails at any time by using the unsubscribe link found at the bottom of every email.

By opting-in to SMS messages from AA&A, you agree to receive automated promotional messages. This agreement is not a condition of any purchase. Msg & Data rates may apply. Reply STOP to end any time after receiving your initial confirmation message.

Terms of Service and Privacy Policy can be found on our website.

AA&A Financial Policy/Appt. Cancellation Policy

To accommodate the needs and requests of as many patients as possible, AA&A is contracted with numerous insurance companies. While we are pleased to be able to provide this service to you, it is not possible for our staff to keep track of all the individual requirements of each plan. Every plan has different stipulations regarding access to care and payment for services received. Within the same insurance company, benefits may differ depending upon what type of contract your employer negotiated with that carrier on your behalf.

Providing quality medical care for our patients is our primary concern.

We are happy to provide care for our patients within their insurance contract guidelines, but we ask that our patients come prepared at the time of service to let us know what those guidelines are. With most of our contracts, Atlanta Allergy personnel are not permitted to interpret insurance benefits for the patient. We are expected and obligated to provide quality care to each insured person, but **it is the insured person's responsibility to understand their benefits.**

Should your insurance company require a **specialist referral** from your primary care physician before you can be seen, it is your responsibility to obtain that referral **prior to your appointment**. You should bring the referral with you to your appointment. Our contracts with those insurance companies prohibit us from seeing you without a referral and subsequently billing them for the services. If you are seen without a referral is required and you are unsure as to how to obtain one, please let the staff know and we will be happy to provide assistance.

If you do not inform us of any special requirements in your insurance contract, such as referrals or preauthorization for treatment, and we subsequently order services that are not covered, we will have no choice but to bill you directly for those charges. In the event that services are provided and your insurance coverage is not in effect on that day, or if your contract contains a pre-existing clause, your insurance carrier will likely deny payment for services received. **Please remember that you, the patient, are ultimately responsible for payment on your account.**

With your cooperation and help, you should be able to receive all of the insurance benefits offered to you, and we will be able to concentrate on caring for your medical needs.

Appointment Cancellation Policy

Your appointment is important to both you and your AA&A provider. If you cannot keep your appointment, please contact us **at least 24 hours prior to your scheduled appointment time**. If you do not provide notice 24 hours in advance, you may be charged a **\$25 no-show fee**.

I HAVE READ AND UNDERSTAND THE OFFICE POLICY STATED ABOVE AND AGREE TO ACCEPT FINANCIAL RESPONSIBILITY AS DESCRIBED.

(Patient and/or Insured)

(Date)

(Print Name)

Part 1:

Patient Name: ______ Address: City, State, Zip:

I have been given a copy of Atlanta Allergy & Asthma Notice of Privacy Practices ("Notice"), which describes how my health information is used and shared. I understand that Atlanta Allergy & Asthma ("the Practice") has the right to change this Notice at any time. I may obtain a current copy by contacting the Practice Privacy Official, or by visiting the Practice website at www.atlantaallergy.com.

My signature below acknowledges that I have been provided with a copy of the Notice of Privacy Practices:

(Signature of Patient or Personal Representative)

Print Name & Title (e.g., Guardian, Health Care Power of Attorney):

Part 2:

Atlanta Allergy & Asthma clinical staff may need to communicate Protected Health Information (PHI), such as test or lab results, via phone. Please let us know what phone number you would like us to call and if we may leave a message:

Phone Number: ______

____ Yes, you may leave a message

No, please do not leave a message

I authorize the Practice to include the following person(s) in any communication regarding my PHI. This is a valid authorization until I revoke this in writing:

Name: ______ Relationship: ______

(Signature of Patient or Patient Representative)

(Contact Number)

(Date)

(Date)

For Practice Use Only: Complete this section if you are unable to obtain signature. If the Patient or personal rep is unable or unwilling to sign the Privacy Acknowledgement, or it is not signed for any other reason, state the reason:

Describe the steps taken to obtain the Patient's (or personal reps) signature on the Acknowledgement:

Signature of Practice Representative:	Date:
Patient Account #:	

ALLERGY SKIN TEST INFORMATION

- It is important to be on time for your skin test appointment. If you arrive late, we may be unable to test you due to time constraints. Please arrive 15 minutes early to complete the registration process.
- If your insurance requires a referral, please make sure we have it in advance of the appointment.
 On the day of the appointment, please bring insurance card, photo ID, and form of payment.
- Allow 2-3 hours for skin testing. You will discuss the results after testing is complete. When children are being tested, it's a good idea to brings items to entertain them throughout the process.
- DISCONTINUE ALL ANTIHISTAMINES FOR SEVEN (7) DAYS PRIOR TO TESTING. Antihistamines will block the skin test reaction and may prevent accurate test results. This includes any allergy, cough, cold, 'night-time' or sleep-aid medications (details on 'Medication List' form). Bring a list of any OTC or prescription medications you are currently taking.
- Wear comfortable clothing. Staff will need access to your back and arms, so do not wear a onepiece outfit.
- It is recommended you eat prior to your skin test appointment. Because we treat patients with severe food allergies, we do not allow food in the clinics.
- Please avoid wearing scented sprays, lotions, and perfumes as they may cause reactions in sensitive patients.
- Skin testing is a simple series of tiny scratches made on your back with a plastic instrument that has small toothpick-like prongs each containing trace amounts of a single allergen. Your doctor determines the number of tests done according to your medical history and symptoms. Skin testing is not painful but can be somewhat uncomfortable.
- After skin prick testing some patients may also receive intradermal testing. With intradermal tests, a small amount of the allergen is injected under the skin of the arm to see if it causes a reaction.
- Swelling or redness at the skin test sites may appear several hours after testing. These "delayed reactions" do not have any significance. Any itching associated with these reactions can be managed with steroid creams and antihistamines. These symptoms may persist for several days.

Safety Protocols:

-Masks are still recommended, but not mandatory. Please note that individual offices may require the use of masks based on circumstances specific to that location.

-Please limit the number of guests that accompany the patient to the office.

-If you are experiencing any flu-like symptoms, please call to reschedule your appointment.

Important Information about Allergy Skin Testing:

Patients scheduled for allergy skin testing must stop taking any medications that contain antihistamines as they will affect the results of your test. This includes both over-the-counter as well as prescription medications. Do not discontinue antidepressants/psychotropic medications or any other medications without consulting with your prescribing physician. Call your pharmacy or prescribing physician if you are unsure about the names of your medications. Asthma medications do not affect skin testing. Do not stop your asthma medications.

The following is a list of medications that must be STOPPED SEVEN (7) DAYS before skin testing:

Actifed	Clarinex	Loratadine	Seroquel
Adapin	Claritin	Ludiomil	Sinequan
Advil Allergy	Clemastine	Levocetirizine	Singlet
Advil PM	Clomipramine	Marezine	Sominex
Alavert	Cogentin	Meclizine	Sudafed Cold & Allergy
Allegra	Comtrex	Norpramin	Surmontil
Allerhist	Contac	Nortriptyline	Tacaryl
Allertan	Coricidin	Nyquil	Tandur
Amitriptyline	Cyproheptadine	Pamelor	Tavist
Anafranil	Desipramine	Pediacare	Temaril
Antivert	Dimetapp	Pediatan	Theraflu
Asendin	Diphenhydramine	Periactin	Tofranil
Ataraz	Doxepin	Phenergan	Triaminic
Atrohist	Dramamine	Polyhistine	Triavil
Aventyl	Drixoral	Promethazine	Trimipramine
BC Cold	Durahist	Protriptyline	Trinalin
Benadryl	Duratan	Pyribenzamine	Tylenol Allergy
Bentyl	Dytan	Remeron	Tylenol Cold
Benztropin	Elavil	Resperidone	Tylenol PM
Biohist	Etrafon	Risperdal	Unisom
Bonine	Excedrin PM	Robitussin Cough, Cold &	Vicks
Brompheniramine	Fexofenadine	Allergy	Vivactil
Carbinoxamine	Hydroxyzine	Rynatan	Xyzal
Cetirizine	Imipramine	Ryneze	Zonolon
Chlortrimeton	Limbitrolr	Semprex	Zyrtec

Note: This list includes the most common antihistamines; however there may be some not listed here. Any overthe-counter medications with the word "Allergy", most over-the-counter cough and cold medications, and overthe-counter sleep medications may affect testing and should be stopped prior to your appointment. If you have any questions, please call us at 770.953.3331.

The following medications must be STOPPED TWO (2) DAYS before skin testing:

GI MEDICATIONS (for reflux and indigestion)					
Axid	Famotidine	Pepcid	Tagamet		
Cimetidine	Nizatidine	Ranitidine	Zantac		
ANTIHISTAMINE NASAL SPRAYS/EYE DROPS					
Azelastine	Astepro	Dymista			
Astelin	Patanase
